

# What happens at Open Doors?

## God Calls

*Right now, there are many serving  
the Lord as pastors, evangelists,  
missionaries and more—whom God  
called to study at CTS*

## God Clarifies

*You may be considering several  
options for your life—God will use the  
Open Doors event to make clear His  
purposes.*

## God Equips

*You will be trained and sent forth to  
fulfill His will for your life.*

You'll never be the  
same.

Whether you become a  
Continental student or  
not, you'll be spiritually  
enriched.

Open Doors is an  
eternally valuable  
experience.

You'll be powerfully touched as you investigate God's plan for your life at Continental. God will use Open Doors to speak to you, through the students you'll visit... through the classes you'll attend... through special gatherings... and through His Word and Spirit during chapel services. Such exposure to God's Spirit will help bring focus and direction to your life.

At Continental Theological Seminary:

Bible and Theology are the major emphasis of study. Other areas of study include Biblical Languages, Christian Education, Missions and Christian Music and Worship.

Developing a personal relationship with Jesus Christ is our priority.
